**We need a change in definition for
leadership in the age of disruption**
Announcing my new approach, book and practical help...

The need for **Captaincy**

You are a Captain
the future of leadership, now

By Jeremy Blain

A few captains that spring to mind

The Captain's Table

Navigate the future

Steer success

Technology enabled

People minded

Eye to the sky

Ear to the ground

Global

Local

Industry stage

Workplace floor

Society minded

Contribution active

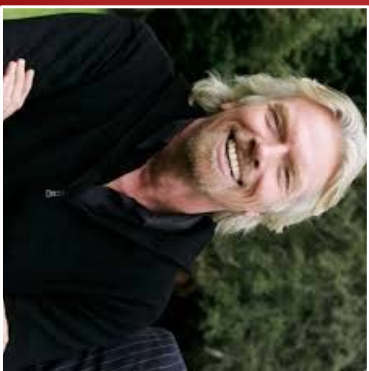

Presence

Charisma

Some of my Captains – not ‘traditional’ *It’s leadership beyond*

Steen

Importance differences as they are both “Leaders”

Leader

Captain

I need your help!

www.pigeonhole.at/disrupt

Volunteers needed!

- Interviews to build deeper definitions and final components for Captaincy
- Stories, examples, evidence of Captains from your experience
- Road test my competency map / The Captain's journey

**See me after the event to sign up (OR)
Pigeonhole / Text / WhatsApp me on +65 9069 3291 now!
