

N.E.W.S.® Executive Coaching

Developing executives and managers to fulfill their potential and greatness inside the organization.

Designed and tailor-made for leaders in organizations. To help them navigate themselves, their teams and the whole organization.

N.E.W.S.® Executive Coaching is the most structured yet adaptable coaching process globally. Based on the NEWS Compass® and the 12-box matrix, it leads to a clear roadmap and proven results.

The coach works with the coachee on personal, interpersonal & organizational aspects, according to the needs and organizational goals.

- Define goals with a clear and adaptable guide for the coaching process.
- Overcome blockages and move executives beyond their comfort zones.
- Create clarity and alignment on multiple levels between the individual, their team and the organization.
- Improve motivation, focus and performance.
- Experience a real transformative process.

Leadership transformation that delivers results!

"The uniqueness of N.E.W.S.® EC is that it is deeply structured and teaches a wealth of tools. Having internally certified coaches that know which tool to use at the right situation, provides organizations with a very high degree of self-reliance."

Vinod, Head of leadership development, Amdocs India
