

N.E.W.S.® Manager as Coach and Mentor

Award-winning leadership development program to master the art of leading impactful conversations.

To equip managers with key skills to motivate, develop and direct individuals to greater achievements.

It takes leaders to grow other leaders!

A 16-hour participative leadership training workshop on leading impactful conversations, immediately applicable in real work situations. It includes the NEWS Compass®, to identify and intervene where people need coaching and mentoring.

“It was a targeted and successful workshop given the magnitude of the task in two days. Absolutely met my expectations and many valuable opportunities and tools were discussed”.

Konekt, Australia.
